

I urge the FCC to reject the NAB's petition 04-160. XM radio is my choice for local and national weather and traffic. XM Radio allows me to get uninterrupted programs across the nation. I am a long haul trucker and this is one service I don't mind paying for! I also vote and you can rest assured that I will inform my congressman and senator that they should tell the National Association of Broadcasters to keep hands off XM Radio. Thank You
